REDUCE / RECYCLE / WATER USE

REDUCE

Try to reduce waste generation. For example, take your own bags to the market / supermarket.

RECYCLE

Deposit recyclable material in the containers provided throughout each town, as seen in above picture. Please don't use the small trashcans in the streets to deposit your large trash bags.

WATER USE

Spain is currently going through one of the worst droughts, please use only the water you need.

During the summer months, most municipalities cut off the water during the late evening and night (between 22:00 and 08:00) because of the extreme drought Spain is going through and the water scarcity in the area. So always make sure you have enough bottled water for the hours when there is no tap water.

ACTIVITIES

The Axarquía region is a beautiful part of Spain, with a lot of things to do. From hiking to visiting the beach or enjoying a great diner with lovely views, there is something for everyone!

YOUR HOST

Hello, we are Darren and Natalija!
My wife and I visited Alcaucin by chance but fell in love with the village. At the time we stayed in this house and just loved it so much we bought it from the previous owner. The roof terrace has one of the best views around and the cosy lounge with a fire in winter. The locals are friendly and welcoming. We hope you enjoy the house and village of Alcaucin as much as we do.

ABOUT THE HOUSE

COFFEE

We have a Nespresso machine and Cafetière available for you to enjoy.

COOKING

Our kitchen has a gas hob. Please remember to turn it off after cooking.

BBQ

Enjoy a hot summer afternoon/evening with our BBQ. The BBQ runs on gas. We kindly ask you to close the gas bottle and clean the BBQ after use.

HEATING

During the winter you can warm up the house using the wood burner and gas bottles. Please turn off any heating when leaving the house.

EMPTY GAS BOTTLES?

If any gas bottle runs empty, please let us know and see below the instruction video on how to change a gas bottle:

TV REMOTES

The television has two remotes; left remote is for the television and changing between normal TV channels and Extra channels.

The right remote is for the Amazon Fire stick.

Hold the power button on the left remote to turn on the TV.

Press the TV and AV button to switch between normal TV channels and the Amazon Fire stick.
